Commissioner:

I, Peter Gluck, declare that the following information is true and correct and of my own personal knowledge, and if called upon as a witness I could and would testify as to the validity of the following:

1. I am a patent attorney employed with the law offices of Greenberg Traurig, LLP ("GT").
2. On or about March 11, 2005 we received a copy of a Notice of Abandonment mailed March 7, 2005 in U.S. Patent Application Serial No. 10/701,984 filed November 6, 2003.
3. Our factual investigation indicates that applicant was the inventor of an apparatus that was filed by another, and that he wishes to contest inventorship, partly by way of an Interference Request.
4. Since applicant was not timely apprised of the other filing, he filed his own case, namely, U.S. Patent Application Serial No. 10/701,984.
5. While applicant explores intervening in the prior case, applicant wishes to preserve his rights.

The statements made in this declaration are of my own personal knowledge, except those based on information and belief, and as to those statements, I believe them to be true.
